Canine Parvovirus Antibody (8H7) [Biotin]

| Product Information         |                                                                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.2 ml                                                                                                                                        |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.                              |
| Storage                     | Store at 4C in the dark.                                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                                    |
| Clone                       | 8H7                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                            |
| Isotype                     | IgG2a                                                                                                                                         |
| Conjugate                   | Biotin                                                                                                                                        |
| Purity                      | Protein A purified                                                                                                                            |
| Buffer                      | PBS                                                                                                                                           |
| Product Description         |                                                                                                                                               |
| Host                        | Mouse                                                                                                                                         |
| Species                     | Virus                                                                                                                                         |
| Reactivity Notes            | Virus.                                                                                                                                        |
| Immunogen                   | Hybridoma clone has been derived from hybridization of Sp2/0 myeloma cells with spleen cells of Balb/c mice immunized with Canine parvovirus. |
| Product Application Details |                                                                                                                                               |
| Applications                | Haemagglutination, Immunodiffusion, Sandwich ELISA, Lateral Flow Assay                                                                        |
| Recommended Dilutions       | Immunodiffusion, Haemagglutination, Sandwich ELISA, Lateral Flow Assay                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                        |
