**NB200-434B**

FABP3/H-FABP Antibody (6B6) [Biotin]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 6B6                                                                                                              |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG2b                                                                                                            |
| Conjugate           | Biotin                                                                                                           |
| Purity              | Protein A purified                                                                                               |
| Buffer              | PBS                                                                                                              |

| Product Description     |                                                                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                 |
| Gene ID                 | 2170                                                                                                                                                                                  |
| Gene Symbol             | FABP3                                                                                                                                                                                 |
| Species                 | Human                                                                                                                                                                                 |
| Reactivity Notes        | Cross-reacts with Human heart fatty acid binding protein. Not yet tested in other species.                                                                                            |
| Marker                  | Cardiac Marker                                                                                                                                                                        |
| Specificity/Sensitivity | Human Heart FABP                                                                                                                                                                      |
| Immunogen               | This clone has been derived from hybridization of Sp 2/0 myeloma cells with spleen cells of Balb/c mice immunized with human cardiac fatty acid binding protein (FABP).               |
| Notes                   | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
