Insulin Antibody (D4B8) [DyLight 755]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | D4B8                                                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG1 Kappa                                                                                                       |
| Conjugate           | DyLight 755                                                                                                      |
| Purity              | Protein A purified                                                                                               |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description     |                                                                                                                                                                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                                                                                   |
| Gene ID                 | 3630                                                                                                                                                                                                                                                                    |
| Gene Symbol             | INS                                                                                                                                                                                                                                                                     |
| Species                 | Human, Porcine, Bovine                                                                                                                                                                                                                                                  |
| Reactivity Notes        | This antibody cross-reacts with Human proinsulin, Cow insulin and Pig insulin. Not yet tested in other species.                                                                                                                                                         |
| Specificity/Sensitivity | Human insulin                                                                                                                                                                                                                                                           |
| Immunogen               | Full length native protein (purified) (Human).                                                                                                                                                                                                                          |
| Notes                   | Dylight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry, Immunohistochemistry-Frozen                      |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Frozen                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
