**NBP1-05161B**

Gelsolin/GSN Antibody (20) [Biotin]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | 20                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                |
| Isotype                     | IgG1 Kappa                                                                                                        |
| Conjugate                   | Biotin                                                                                                            |
| Purity                      | Protein A purified                                                                                                |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Mouse                                                                                                             |
| Gene ID                     | 2934                                                                                                              |
| Gene Symbol                 | GSN                                                                                                               |
| Species                     | Human                                                                                                             |
| Immunogen                   | Gelsolin purified from human plasma                                                                               |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
