GilZ Antibody (CFMKG15) [PE]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | CFMKG15                                                                                                          |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG2a Kappa                                                                                                      |
| Conjugate           | PE                                                                                                               |
| Purity              | Protein A or G purified                                                                                          |
| Buffer              | PBS                                                                                                              |

| Product Description |                                          |
|---------------------|------------------------------------------|
| Host                | Rat                                      |
| Gene ID             | 1831                                     |
| Gene Symbol         | TSC22D3                                  |
| Species             | Mouse                                    |
| Immunogen           | The immunogen for this antibody is GILZ. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry                                           |
| Recommended Dilutions       | Western Blot, Flow Cytometry                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
