| Clone                       | 3C2                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                         |
| Isotype                     | IgG1 Kappa                                                                                                                                                 |
| Conjugate                   | DyLight 350                                                                                                                                                |
| Purity                      | Protein G purified                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                         |
| Product Description         |                                                                                                                                                            |
| Host                        | Mouse                                                                                                                                                      |
| Gene ID                     | 11253                                                                                                                                                      |
| Gene Symbol                 | MAN1B1                                                                                                                                                     |
| Species                     | Human, Mouse (Negative)                                                                                                                                    |
| Reactivity Notes            | Does not react with mouse.                                                                                                                                 |
| Immunogen                   | Full length human recombinant ERManI [Swiss-Prot# Q9UKM7]                                                                                                  |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                          |
| Product Application Details |                                                                                                                                                            |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Immunoprecipitation, Knockout Validated |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Immunohistochemistry-Paraffin, Knockout Validated |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                     |
