**NBP2-21746PCP**

Lipocalin-2/NGAL Antibody (10) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 10                                                                                          |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                                   |
| Gene ID                 | 3934                                                                                                                                                                                  |
| Gene Symbol             | LCN2                                                                                                                                                                                  |
| Species                 | Mouse, Canine (Negative), Human (Negative), Porcine (Negative), Rat (Negative)                                                                                                        |
| Reactivity Notes        | Rat.                                                                                                                                                                                  |
| Specificity/Sensitivity | NBP2-21746 binds NGAL in mouse serum.                                                                                                                                                 |
| Immunogen               | Recombinant mouse NGAL                                                                                                                                                                |
| Notes                   | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA                                                    |
| Recommended Dilutions       | Western Blot, ELISA                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
