# NBP2-32771UV

| IGFBP-4 Antibody (IBP180) [DyLight 350] |   |
|---|---|
| Product Information                     |   |
| Unit Size                               | 0.2 ml  |
| Concentration                           | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.  |
| Storage                                 | Store at 4C in the dark.  |
| Clonality                               | Monoclonal  |
| Clone                                   | IBP180  |
| Preservative                            | 0.05% Sodium Azide  |
| Isotype                                 | lgG2a   |
| Conjugate                               | DyLight 350   |
| Purity                                  | Protein A purified  |
| Buffer                                  | 50mM Sodium Borate  |
| Product Description                     |   |
| Host                                    | Mouse   |
| Gene ID                                 | 3487  |
| Gene Symbol                             | IGFBP4  |
| Species                                 | Human   |
| Reactivity Notes                        | Human, Mouse. Please note that this antibody is reactive to Mouse and derived from the same host, Mouse. Additional Mouse on Mouse blocking steps may be required for IHC and ICC experiments. Please contact Technical Support for more information. |
| Specificity/Sensitivity                 | Human N-terminal IGFBP-4 fragment (NT-IGFBP-4)  |
| Immunogen                               | Hybridoma clone has been derived from hybridization of Sp2/0 myeloma cells with spleen cells of Balb/c mice immunized with recombinant human IGFBP-4 expressed in mammalian cell line.  |
| Notes                                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.   |
| Product Application Details             |   |
| Applications                            | ELISA, Sandwich ELISA   |
| Recommended Dilutions                   | ELISA, Sandwich ELISA   |
|   |   |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | ELISA, Sandwich ELISA  |
| Recommended Dilutions              | ELISA, Sandwich ELISA  |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
