| <b>Product Information</b> |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>           | 0.1 ml                                                                                                           |
| <b>Concentration</b>       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>             | Store at 4C in the dark.                                                                                         |
| <b>Clonality</b>           | Monoclonal                                                                                                       |
| <b>Clone</b>               | 8-326                                                                                                            |
| <b>Preservative</b>        | 0.05% Sodium Azide                                                                                               |
| <b>Isotype</b>             | IgG1                                                                                                             |
| <b>Conjugate</b>           | Biotin                                                                                                           |
| <b>Purity</b>              | Protein G purified                                                                                               |
| <b>Buffer</b>              | PBS                                                                                                              |

| <b>Product Description</b> |                                                                                                                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Host</b>                | Mouse                                                                                                                                                                                 |
| <b>Gene ID</b>             | 2944                                                                                                                                                                                  |
| <b>Gene Symbol</b>         | GSTM1                                                                                                                                                                                 |
| <b>Species</b>             | Epitope Tag                                                                                                                                                                           |
| <b>Immunogen</b>           | Recombinant purified full-length GST                                                                                                                                                  |
| <b>Notes</b>               | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| <b>Product Application Details</b> |                                                                        |
|------------------------------------|------------------------------------------------------------------------|
| <b>Applications</b>                | Western Blot, Simple Western, Immunoprecipitation                      |
| <b>Recommended Dilutions</b>       | Western Blot, Simple Western, Immunoprecipitation                      |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined. |
