# NBP2-48060

**Application Notes** 

TOX3 Antibody (TOX3/1124) - IHC-Prediluted

| TOX3 Antibody (TOX3/T124) - Inc-Prediluted |   |
|--|---|
| Product Information                        |   |
| Unit Size                                  | 7 ml  |
| Concentration                              | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                                    | Store at 4C.  |
| Clonality                                  | Monoclonal  |
| Clone                                      | TOX3/1124   |
| Preservative                               | 0.05% Sodium Azide  |
| Isotype                                    | IgG1 Kappa  |
| Purity                                     | Protein A or G purified   |
| Buffer                                     | 10 mM PBS with 0.05% BSA  |
| Target Molecular Weight                    | 63 kDa  |
| Product Description                        |   |
| Description                                | The prediluted antibody does not require any mixing, dilution, reconstitution, or titration; the antibody is ready-to-use and optimized for staining. |
| Host                                       | Mouse   |
| Gene ID                                    | 27324   |
| Gene Symbol                                | TOX3  |
| Species                                    | Human   |
| Immunogen                                  | Recombinant fragment of human TOX3 protein (around aa 251-389) (Exact sequence is proprietary) (Uniprot: O15405)                                      |
| Product Application Details                |   |
| Applications                               | Immunohistochemistry, Immunohistochemistry-Paraffin   |
| Recommended Dilutions                      | Immunohistochemistry, Immunohistochemistry-Paraffin   |

Optimal dilution for a specific application should be determined.
