| Clonality                   | Monoclonal                                                                                                                                                                            |
| Clone                       | K20                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG2a Kappa                                                                                                                                                                           |
| Conjugate                   | PE                                                                                                                                                                                    |
| Purity                      | Protein G purified                                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                                                 |
| Gene ID                     | 3848                                                                                                                                                                                  |
| Gene Symbol                 | KRT1                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                 |
| Specificity/Sensitivity     | This antibody recognizes cytokeratins of 46, 48, 50, 55, 56, 56.5, 59, 61, 62, 64, 65, 66 and 67 kDa.                                                                                 |
| Immunogen                   | This Cytokeratin, pan Antibody (K20) was developed against hair keratin.                                                                                                              |
| Notes                       | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
