Cytokeratin, pan Antibody (LDS103) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | LDS103                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                                                                                   |
| Gene ID             | 3848                                                                                                                                                                                                                                                                    |
| Gene Symbol         | KRT                                                                                                                                                                                                                                                                     |
| Species             | Human                                                                                                                                                                                                                                                                   |
| Immunogen           | This Cytokeratin, pan Antibody (LDS103) was developed against cytoskeletons of the human urothelial RT4 cell line.                                                                                                                                                      |
| Notes               | Dylight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry          |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
