| Clonality                   | Monoclonal                                                                                                                                                                            |
| Clone                       | 4E8                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                    |
| Isotype                     | IgG2b                                                                                                                                                                                 |
| Conjugate                   | FITC                                                                                                                                                                                  |
| Purity                      | Protein A or G purified                                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                                                 |
| Gene ID                     | 4968                                                                                                                                                                                  |
| Gene Symbol                 | OGG1                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                 |
| Immunogen                   | Partial recombinant protein made to an internal sequence of the human OGG1 protein (between amino acids 100-300) [UniProt# O15527]                                                    |
| Notes                       | This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |
| Product Application Details |                                                                                                                                                                                       |
| Applications                | Flow Cytometry, Flow (Intracellular), Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                     |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, Flow (Intracellular)                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                |
