Senataxin Antibody (4G1) [PE]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | 4G1                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                            |
| Conjugate                   | PE                                                                                            |
| Purity                      | Protein A or G purified                                                                       |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Mouse                                                                                         |
| Gene ID                     | 23064                                                                                         |
| Gene Symbol                 | SETX                                                                                          |
| Species                     | Human                                                                                         |
| Immunogen                   | Partial recombinant human Senataxin protein (between amino acids 2300-2600) [UniProt# Q7Z333] |
| Product Application Details |                                                                                               |
| Applications                | Flow Cytometry, Flow (Intracellular), Immunohistochemistry, Immunohistochemistry-Paraffin     |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin, Flow (Intracellular)     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
