GP2 Antibody (GP2/1551) [DyLight 755]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | GP2/1551                                                                                    |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b Lambda                                                                                |
| Conjugate           | DyLight 755                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                                                                                                                                         |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                                                                                                                                                   |
| Gene ID             | 2813                                                                                                                                                                                                                                                                    |
| Gene Symbol         | GP2                                                                                                                                                                                                                                                                     |
| Species             | Human                                                                                                                                                                                                                                                                   |
| Immunogen           | Recombinant human GP2 protein fragment (aa35-179) (exact sequence is proprietary)                                                                                                                                                                                       |
| Notes               | Dylight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry, Immunocytochemistry/Immunofluorescence          |
| Recommended Dilutions       | Flow Cytometry, ELISA, Immunocytochemistry/Immunofluorescence          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
