

# Product Datasheet

## ADP-ribosylarginine hydrolase Antibody - BSA Free NBP2-55160

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-55160**

ADP-ribosylarginine hydrolase Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Affinity purified                                                                                                |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                                   |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit ADP-ribosylarginine hydrolase Antibody - BSA Free (NBP2-55160) is a polyclonal antibody validated for use in ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                                            |
| Gene ID             | 141                                                                                                                                                                                                               |
| Gene Symbol         | ADPRH                                                                                                                                                                                                             |
| Species             | Human                                                                                                                                                                                                             |
| Immunogen           | This antibody was developed against a recombinant protein corresponding to the following amino acid sequence:<br>YYNGKWEFLQDGEKIHRQLAQLGGLDALDVGRWRVSDDTVMHLATAEALVEA<br>GKAPKLTQLYLLAKHYQDC                      |

| Product Application Details |                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence                                                 |
| Recommended Dilutions       | Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml                                    |
| Application Notes           | Immunocytochemistry/Immunofluorescence Fixation Permeabilization: Use PFA/Triton X-100. |

**Images**

Immunocytochemistry/Immunofluorescence: ADP-ribosylarginine hydrolase Antibody [NBP2-55160] - Staining of human cell line PC-3 shows localization to nucleus & nuclear membrane.
