**NBP2-60484****Mouse Albumin ELISA Kit (Colorimetric)****Product Information**

|                      |                                                                                                          |
|----------------------|----------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 1 Kit                                                                                                    |
| <b>Concentration</b> | Concentration is not relevant for this product. Please see the protocols for proper use of this product. |
| <b>Storage</b>       | Storage is content dependent.                                                                            |

**Product Description**

|                             |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| <b>Description</b>          | This assay employs a quantitative enzyme immunoassay technique that measures the specified antigen in samples. |
| <b>Gene ID</b>              | 213                                                                                                            |
| <b>Gene Symbol</b>          | ALB                                                                                                            |
| <b>Species</b>              | Mouse                                                                                                          |
| <b>Standard Curve Range</b> | 0.781 - 200 ng/mL (example only; lot dependent)                                                                |
| <b>Sensitivity</b>          | 0.72 ng/ml (example only; lot dependent)                                                                       |
| <b>Inter Assay</b>          | CV% < 9.80% (example only; lot dependent)                                                                      |
| <b>Intra Assay</b>          | CV% < 3.90% (example only; lot dependent)                                                                      |
| <b>Assay Type</b>           | Sandwich ELISA                                                                                                 |
| <b>Spiking Recovery</b>     | 97.00% (example only; lot dependent)                                                                           |
| <b>Suitable Sample Type</b> | Cell Culture, Urine                                                                                            |

**Product Application Details**

|                              |                       |
|------------------------------|-----------------------|
| <b>Applications</b>          | ELISA, Sandwich ELISA |
| <b>Recommended Dilutions</b> | ELISA, Sandwich ELISA |
