Lightning-Link (R) Rapid Alexa Fluor 700 Antibody Labeling Kit

Unit Size 3 x 100ug Reaction  Concentration  Concentration is not relevant for this product. Please see the protocols for proper use of this product.  Storage Storage Alexa Fluor 700  Product Description  Description  Description  Current Rapid Antibody Labeling kits enable direct labeling of antibodies, proteins, peptides or other biomolecules (see protocol for further information) and allow conjugations to be set up in seconds, and used within minutes (less than 20 minutes).  Our Lightning-Link Rapid technology can be used to label small quantities of antibody with 100% recovery. The researcher simply pipettes the antibody or other biomolecule into a vali of tyophilized mixture containing the face of interest and incubates the reaction for only 15 minutes (for more details please watch the video below). As there are no desaiting or clialysis steps that commonly interrupt traditional protein labeling procedures.  Features Benefits Quick and casy to use Save time, no special knowledge required No separation steps 100%, recovery - no antibody/protein loss Can be used in a wide range of applications Flexible Freeze dired Ships at ambient temperature, long shelf-life Fully scalable (10 ug to 1 g or more) Easy transfer from R&D to manufacturing Stringenity QC tested consistent high quality, excellent bactin-to-bacth reproducibility Large number of labels available Experimental flexibility Reliable: nearly 300 references Successfully used in many fields of research  Learn more about Lightning-Link® Rapid mix, 1 vial of LL Rapid Modifier reagent, 1 vial of LL Rapid Quencher reagent  Kit Components  Xi glass vials of Lightning-Link® Rapid mix, 1 vial of LL Rapid Modifier reagent, 1 vial of LL Rapid Quencher reagent  This product is for research use only and is not approved for use in humans or in clinical diagnosis. This product is guaranteed for if year from date of receipt and this statement overrides any mentioned guarantee period on the limitation section of this products datasheet.
