ATRIP Antibody [DyLight 350]

| Product Information         |                                                                                                          |
|-----------------------------|----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.              |
| Storage                     | Store at 4C in the dark.                                                                                 |
| Clonality                   | Polyclonal                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                       |
| Isotype                     | IgG                                                                                                      |
| Conjugate                   | DyLight 350                                                                                              |
| Purity                      | Immunogen affinity purified                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                       |
| Product Description         |                                                                                                          |
| Host                        | Rabbit                                                                                                   |
| Gene ID                     | 84126                                                                                                    |
| Gene Symbol                 | ATRIP                                                                                                    |
| Species                     | Human, Primate (Negative)                                                                                |
| Reactivity Notes            | Human. Reactivity with intraprimates is unlikely owing to immunogen sequence divergence.                 |
| Immunogen                   | A synthetic peptide derived from a sequence between amino acids 500-550 of human ATRIP [UniProt# Q8WXE1] |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                        |
| Product Application Details |                                                                                                          |
| Applications                | Western Blot                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                   |
