Oval Cell Marker Antibody (OC2-3C5) [PE/Cy5.5]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | This product is unpurified. The exact concentration of antibody is not quantifiable.                       |
| Storage                     | Store at 4C in the dark. Do not freeze.                                                                    |
| Clonality                   | Monoclonal                                                                                                 |
| Clone                       | OC2-3C5                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG2a                                                                                                      |
| Conjugate                   | PE/Cy5.5                                                                                                   |
| Purity                      | Tissue culture supernatant                                                                                 |
| Buffer                      | PBS                                                                                                        |
| Product Description         |                                                                                                            |
| Host                        | Rat                                                                                                        |
| Species                     | Mouse                                                                                                      |
| Marker                      | Hepatic periductal cell Marker                                                                             |
| Specificity/Sensitivity     | Specific for both proliferating and normal hepatic periductal and ductal cells.                            |
| Immunogen                   | Nonparenchymal cells from DDC-treated mice to induce the oval cell response.                               |
| Product Application Details |                                                                                                            |
| Applications                | Flow Cytometry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Frozen |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Frozen |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
