SAP102 Antibody (S19-2) [DyLight 488]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | S19-2                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                        |
| Isotype                     | IgG1                                                                                                      |
| Conjugate                   | DyLight 488                                                                                               |
| Purity                      | Protein G purified                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                        |
| Product Description         |                                                                                                           |
| Host                        | Mouse                                                                                                     |
| Gene ID                     | 1741                                                                                                      |
| Gene Symbol                 | DLG3                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                         |
| Specificity/Sensitivity     | Detects approx 105kDa. No cross-reactivity against PSD95, SAP97 or Chapsyn-110.                           |
| Immunogen                   | Fusion protein amino acids 1-120 of rat SAP102                                                            |
| Product Application Details |                                                                                                           |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
