| Buffer                      | PBS                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                 |
| Host                        | Rabbit                                                                                                                                                                                          |
| Gene ID                     | 820                                                                                                                                                                                             |
| Gene Symbol                 | CAMP                                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                                           |
| Immunogen                   | Antibody was raised against a 17 amino acid synthetic peptide from an internal portion of the human Cathelicidin protein. The immunogen is located within amino acids 50 - 100 of Cathelicidin. |
| Product Application Details |                                                                                                                                                                                                 |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin                                                                               |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                          |
