CHORDC1 Antibody [Janelia Fluor® 549]

| Product Information         |                                                                                                                          |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                              |
| Storage                     | Store at 4C in the dark.                                                                                                 |
| Clonality                   | Polyclonal                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG                                                                                                                      |
| Conjugate                   | Janelia Fluor 549                                                                                                        |
| Purity                      | Immunogen affinity purified                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                       |
| Product Description         |                                                                                                                          |
| Host                        | Rabbit                                                                                                                   |
| Gene ID                     | 26973                                                                                                                    |
| Gene Symbol                 | CHORDC1                                                                                                                  |
| Species                     | Human, Mouse                                                                                                             |
| Immunogen                   | A synthetic peptide made to an internal portion of the human CHORDC1 protein (between residues 100-250) [UniProt Q9UHD1] |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                    |
| Product Application Details |                                                                                                                          |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
