Kv7.4 Antibody (S43/6) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | S43/6                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                |
|-------------------------|------------------------------------------------|
| Host                    | Mouse                                          |
| Gene ID                 | 9132                                           |
| Gene Symbol             | KCNQ4                                          |
| Species                 | Human, Mouse, Rat                              |
| Specificity/Sensitivity | Detects approx 77kDa.                          |
| Immunogen               | Fusion protein amino acids 2-77 of human KCNQ4 |

| Product Application Details |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunoprecipitation, Microarray |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Microarray |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
