**NBP2-21674R**

BIN1 Antibody (99F) [DyLight 550]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 99F                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | DyLight 550                                                                                 |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description |                                                                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                                          |
| Gene ID             | 274                                                                                                                                            |
| Gene Symbol         | BIN1                                                                                                                                           |
| Species             | Human, Mouse                                                                                                                                   |
| Reactivity Notes    | Cross-reactivity with BIN1 from other sources has not been determined                                                                          |
| Immunogen           | BIN1 Antibody (99F) was produced in mouse by repeated immunizations with BIN1 polypeptide followed by hybridoma development. (Uniprot: O00499) |
| Notes               | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                              |

| Product Application Details |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Applications                | Western Blot, Dot Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation |
| Recommended Dilutions       | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunoprecipitation, Dot Blot |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
