Clostridium Tetani Toxoid Antibody (3F6) [Alexa Fluor® 647]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 3F6                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | Alexa Fluor 647                                                                             |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                          |
|-------------------------|----------------------------------------------------------|
| Host                    | Mouse                                                    |
| Species                 | Bacteria                                                 |
| Reactivity Notes        | Clostridium tetani toxoid                                |
| Specificity/Sensitivity | Clone 3F6 binds to both tetanus toxin and tetanus toxoid |
| Immunogen               | Tetanus toxoid, formaldehyde inactivated tetanus toxin   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
