DMBT1/GP340 Antibody (1G4) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1G4                                                                                         |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                       |
| Gene ID                 | 1755                                                                                                        |
| Gene Symbol             | DMBT1                                                                                                       |
| Species                 | Human                                                                                                       |
| Reactivity Notes        | Human                                                                                                       |
| Specificity/Sensitivity | Clone 1G4 Reacts with gp-340 and salivary agglutinin                                                        |
| Immunogen               | Native gp-340 purified from bronchoalveolar lavage fluid from patients with pulmonary alveolar proteinosis. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, ELISA, Immunohistochemistry                              |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
