Lipocalin-2/NGAL Antibody (68) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 68                                                                                          |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1 Kappa                                                                                  |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A or G purified                                                                     |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                           |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                     |
| Gene ID                 | 3934                                                                                                                                      |
| Gene Symbol             | LCN2                                                                                                                                      |
| Species                 | Human, Monkey                                                                                                                             |
| Specificity/Sensitivity | Antibody reacts with NGAL (neutrophil gelatinase-associated lipocalin) from Macaca mulatta (Rhesus) and Macaca fascicularis (Cynomolgus). |
| Immunogen               | Recombinant monkey NGAL                                                                                                                   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
