| Clonality                   | Monoclonal                                                                                                                                                            |
| Clone                       | 962                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                    |
| Isotype                     | IgG2a                                                                                                                                                                 |
| Conjugate                   | FITC                                                                                                                                                                  |
| Purity                      | Protein G purified                                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                                 |
| Species                     | H. pylori                                                                                                                                                             |
| Reactivity Notes            | Immunogen displays the following percentage of sequence identity for non-tested species: Helicobacter pylori.                                                         |
| Immunogen                   | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of Helicobacter pylori Urease B. The exact sequence is proprietary. |
| Product Application Details |                                                                                                                                                                       |
| Applications                | ELISA                                                                                                                                                                 |
| Recommended Dilutions       | ELISA                                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                |
