DNA Polymerase delta, catalytic subunit Antibody (6196) [DyLight 550]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 6196                                                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG1                                                                                                             |
| Conjugate           | DyLight 550                                                                                                      |
| Purity              | Immunogen affinity purified                                                                                      |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description |                                                                                                |
|---------------------|------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                          |
| Gene ID             | 5424                                                                                           |
| Gene Symbol         | POLD1                                                                                          |
| Species             | Human                                                                                          |
| Immunogen           | Recombinant protein encoding amino acids 1-140 of the large subunit of human DNA polymerase d. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
