IDH2 Antibody (673) [Biotin]

| Product Information         |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                 |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                                               |
| Clonality                   | Monoclonal                                                                                                             |
| Clone                       | 673                                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                                     |
| Isotype                     | IgG1                                                                                                                   |
| Conjugate                   | Biotin                                                                                                                 |
| Purity                      | Protein G purified                                                                                                     |
| Buffer                      | PBS                                                                                                                    |
| Product Description         |                                                                                                                        |
| Host                        | Mouse                                                                                                                  |
| Gene ID                     | 3418                                                                                                                   |
| Gene Symbol                 | IDH2                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                      |
| Reactivity Notes            | Xenopus laevis (91%), Zebrafish (89%).                                                                                 |
| Immunogen                   | Recombinant protein encompassing a sequence within the center region of human IDH2. The exact sequence is proprietary. |
| Product Application Details |                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry-Paraffin, Immunocytochemistry/Immunofluorescence, Immunohistochemistry              |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                 |
