TTC11 Antibody (9810) [DyLight 755]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Monoclonal                                                                                                       |
| Clone                       | 9810                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG2a                                                                                                            |
| Conjugate                   | DyLight 755                                                                                                      |
| Purity                      | Protein G purified                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                               |
| Product Description         |                                                                                                                  |
| Host                        | Mouse                                                                                                            |
| Gene ID                     | 51024                                                                                                            |
| Gene Symbol                 | FIS1                                                                                                             |
| Species                     | Human, Mouse, Rat                                                                                                |
| Reactivity Notes            | Rat (87%).                                                                                                       |
| Immunogen                   | Full length human TTC11 Recombinant protein.                                                                     |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                            |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
