ARID5A Antibody (1683) [DyLight 350]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 1683                                                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG2a                                                                                                            |
| Conjugate           | DyLight 350                                                                                                      |
| Purity              | Protein A purified                                                                                               |
| Buffer              | 50mM Sodium Borate                                                                                               |

| Product Description |                                                                                                                          |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                    |
| Gene ID             | 10865                                                                                                                    |
| Gene Symbol         | ARID5A                                                                                                                   |
| Species             | Human, Mouse                                                                                                             |
| Reactivity Notes    | Immunogen displays the following percentage of sequence identity for non-tested species: Mouse (83%), Bovine (88%).      |
| Immunogen           | Recombinant protein encompassing a sequence within the center region of human ARID5A. The exact sequence is proprietary. |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
