HSV Tag Antibody (212) [Biotin]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Monoclonal                                                                                                       |
| Clone                       | 212                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG2a                                                                                                            |
| Conjugate                   | Biotin                                                                                                           |
| Purity                      | Protein G purified                                                                                               |
| Buffer                      | PBS                                                                                                              |
| Product Description         |                                                                                                                  |
| Host                        | Mouse                                                                                                            |
| Species                     | Epitope Tag                                                                                                      |
| Immunogen                   | The immunogen used to generate this antibody corresponds to Hsv Tag                                              |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence                                                             |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
