Calnexin Antibody (1563) [Biotin]

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                                         |
| Clonality           | Monoclonal                                                                                                       |
| Clone               | 1563                                                                                                             |
| Preservative        | 0.05% Sodium Azide                                                                                               |
| Isotype             | IgG2a                                                                                                            |
| Conjugate           | Biotin                                                                                                           |
| Purity              | Protein G purified                                                                                               |
| Buffer              | PBS                                                                                                              |

| Product Description |                                                                                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                                           |
| Gene ID             | 821                                                                                                                             |
| Gene Symbol         | CANX                                                                                                                            |
| Species             | Human, Mouse, Rat                                                                                                               |
| Reactivity Notes    | Immunogen displays the following percentage of sequence identity for non-tested species: Zebrafish (82%), Xenopus laevis (89%). |
| Immunogen           | Recombinant protein encompassing a sequence within the center region of human Calnexin. The exact sequence is proprietary.      |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence                   |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
