**NBP2-52726JF646**

Senataxin Antibody (4G1) [Janelia Fluor® 646]

**Product Information**

|                      |                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>     | 0.1 ml                                                                                      |
| <b>Concentration</b> | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>       | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>     | Monoclonal                                                                                  |
| <b>Clone</b>         | 4G1                                                                                         |
| <b>Preservative</b>  | 0.05% Sodium Azide                                                                          |
| <b>Conjugate</b>     | Janelia Fluor 646                                                                           |
| <b>Purity</b>        | Protein A or G purified                                                                     |
| <b>Buffer</b>        | 50mM Sodium Borate                                                                          |

**Product Description**

|                    |                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------|
| <b>Host</b>        | Mouse                                                                                         |
| <b>Gene ID</b>     | 23064                                                                                         |
| <b>Gene Symbol</b> | SETX                                                                                          |
| <b>Species</b>     | Human                                                                                         |
| <b>Immunogen</b>   | Partial recombinant human Senataxin protein (between amino acids 2300-2600) [UniProt# Q7Z333] |
| <b>Notes</b>       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.         |

**Product Application Details**

|                              |                                                                                           |
|------------------------------|-------------------------------------------------------------------------------------------|
| <b>Applications</b>          | Flow Cytometry, Flow (Intracellular), Immunohistochemistry, Immunohistochemistry-Paraffin |
| <b>Recommended Dilutions</b> | Flow Cytometry, Immunohistochemistry, Immunohistochemistry-Paraffin, Flow (Intracellular) |
| <b>Application Notes</b>     | Optimal dilution of this antibody should be experimentally determined.                    |
