EAAT3 Antibody (S180-41) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | S180-41                                                                                     |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein G purified                                                                          |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                 |
|-------------------------|---------------------------------------------------------------------------------|
| Host                    | Mouse                                                                           |
| Gene ID                 | 6505                                                                            |
| Gene Symbol             | SLC1A1                                                                          |
| Species                 | Human, Rat                                                                      |
| Specificity/Sensitivity | Detects 60kDa.                                                                  |
| Immunogen               | Fusion protein amino acids 1-524 (full length) of human EAAT3 (Uniprot: P43005) |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunocytochemistry/ Immunofluorescence, Immunoprecipitation           |
| Recommended Dilutions       | Immunocytochemistry/ Immunofluorescence, Immunoprecipitation           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
