RNPEPL1 Antibody (11G1) [DyLight 405]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 11G1                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG3                                                                                        |
| Conjugate           | DyLight 405                                                                                 |
| Purity              | Protein G purified                                                                          |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                              |
| Gene ID                 | 57140                                                                                                              |
| Gene Symbol             | RNPEPL1                                                                                                            |
| Species                 | Non-species specific                                                                                               |
| Specificity/Sensitivity | Specific for N-terminal arginine, next to both glutamic acid and aspartic acid. Does not detect internal arginine. |
| Immunogen               | Synthetic N-terminal arginylated peptide conjugated to KLH                                                         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
