| Preservative                | 0.05% Sodium Azide                                                                                                                                    |
| Isotype                     | IgG2 Kappa                                                                                                                                            |
| Conjugate                   | Biotin                                                                                                                                                |
| Purity                      | Protein A purified                                                                                                                                    |
| Buffer                      | PBS                                                                                                                                                   |
| Product Description         |                                                                                                                                                       |
| Host                        | Mouse                                                                                                                                                 |
| Species                     | Bacteria                                                                                                                                              |
| Reactivity Notes            | Aquifex aeolicus                                                                                                                                      |
| Immunogen                   | GST fused to A. aeolicus BPL/BioID2                                                                                                                   |
| Product Application Details |                                                                                                                                                       |
| Applications                | Western Blot, Simple Western, Immunocytochemistry/ Immunofluorescence                                                                                 |
| Recommended Dilutions       | Western Blot, Simple Western, Immunocytochemistry/ Immunofluorescence                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. Positive Control: Cells overexpressing A. aeolicus BPL R40G (BioID2) construct |
