SYNE1 Antibody (9F10) [DyLight 350]

| Product Information         |                                                                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                  |
| Clone                       | 9F10                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                          |
| Isotype                     | IgG2b Kappa                                                                                                                                 |
| Conjugate                   | DyLight 350                                                                                                                                 |
| Purity                      | Protein A purified                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                          |
| Product Description         |                                                                                                                                             |
| Host                        | Mouse                                                                                                                                       |
| Gene ID                     | 23345                                                                                                                                       |
| Gene Symbol                 | SYNE1                                                                                                                                       |
| Species                     | Human, Mouse, Rat                                                                                                                           |
| Specificity/Sensitivity     | Specificity of human, mouse, rat SYNE1 antibody verified on a Protein Array containing target protein plus 383 other non-specific proteins. |
| Immunogen                   | GST fused to residues 8,165-8,473 of mouse SYNE1                                                                                            |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                           |
| Product Application Details |                                                                                                                                             |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                                       |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/ Immunofluorescence                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                      |
