MBP Antibody (MBP14) [HRP]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | MBP14                                                                                        |
| Preservative                | No Preservative                                                                              |
| Isotype                     | IgG2b                                                                                        |
| Conjugate                   | HRP                                                                                          |
| Purity                      | Protein G purified                                                                           |
| Buffer                      | PBS                                                                                          |
| Product Description         |                                                                                              |
| Host                        | Rat                                                                                          |
| Gene ID                     | 4155                                                                                         |
| Gene Symbol                 | MBP                                                                                          |
| Species                     | Human, Bovine, Chicken, Equine                                                               |
| Immunogen                   | Reacts with human MBP, recognizing epitopes in the 36-50 amino acid region (GILDSIGRFFGGDRG) |
| Product Application Details |                                                                                              |
| Applications                | Western Blot, ELISA, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry           |
| Recommended Dilutions       | Western Blot, ELISA, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
