| Clonality                   | Monoclonal                                                                                                                                                                                    |
| Clone                       | UP-H2                                                                                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                            |
| Isotype                     | IgG1                                                                                                                                                                                          |
| Conjugate                   | Biotin                                                                                                                                                                                        |
| Purity                      | Protein A purified                                                                                                                                                                            |
| Buffer                      | PBS                                                                                                                                                                                           |
| Product Description         |                                                                                                                                                                                               |
| Host                        | Mouse                                                                                                                                                                                         |
| Gene ID                     | 342510                                                                                                                                                                                        |
| Gene Symbol                 | CD300E                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                         |
| Specificity/Sensitivity     | The mouse monoclonal antibody UP-H2 recognizes an extracellular epitope on CD300e / IREM-2, a 32 kDa glycoprotein expressed by mature monocytes and peripheral blood myeloid dendritic cells. |
| Immunogen                   | CD300e-HA-transfected cells                                                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                               |
| Applications                | Western Blot, Flow Cytometry, Functional, Immunoprecipitation                                                                                                                                 |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunoprecipitation, Functional                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                        |
