| <b>Clone</b>                       | A9604D2                                                                                                                             |
| <b>Preservative</b>                | No Preservative                                                                                                                     |
| <b>Isotype</b>                     | IgG1                                                                                                                                |
| <b>Conjugate</b>                   | HRP                                                                                                                                 |
| <b>Purity</b>                      | Affinity purified                                                                                                                   |
| <b>Buffer</b>                      | PBS                                                                                                                                 |
| <b>Product Description</b>         |                                                                                                                                     |
| <b>Host</b>                        | Mouse                                                                                                                               |
| <b>Species</b>                     | Human                                                                                                                               |
| <b>Specificity/Sensitivity</b>     | Mouse anti Human IgA2 antibody, clone A9604D2, recognizes the Fc portion of the heavy chain of human IgA2 as demonstrated by ELISA. |
| <b>Immunogen</b>                   | Human IgA2 heavy chains                                                                                                             |
| <b>Product Application Details</b> |                                                                                                                                     |
| <b>Applications</b>                | Western Blot, ELISA, Immunoblotting                                                                                                 |
| <b>Recommended Dilutions</b>       | Western Blot, ELISA 1:500 - 1:2000, Immunoblotting                                                                                  |
