## SLC3A1 Antibody - BSA Free

### NBP2-68912

Unit Size: 100 ul

Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.

**NBP2-68912**

SLC3A1 Antibody - BSA Free

| Product Information |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size           | 100 ul                                                                                                           |
| Concentration       | Concentrations vary lot to lot. See vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C short term. Aliquot and store at -20C long term. Avoid freeze-thaw cycles.                           |
| Clonality           | Polyclonal                                                                                                       |
| Preservative        | 0.02% Sodium Azide                                                                                               |
| Isotype             | IgG                                                                                                              |
| Purity              | Protein A purified                                                                                               |
| Buffer              | PBS (pH 7.2) and 40% Glycerol                                                                                    |

| Product Description |                                                                                                                                                                                                   |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Description         | Novus Biologicals Rabbit SLC3A1 Antibody - BSA Free (NBP2-68912) is a polyclonal antibody validated for use in WB and ICC/IF. All Novus Biologicals antibodies are covered by our 100% guarantee. |
| Host                | Rabbit                                                                                                                                                                                            |
| Gene ID             | 6519                                                                                                                                                                                              |
| Gene Symbol         | SLC3A1                                                                                                                                                                                            |
| Species             | Human                                                                                                                                                                                             |
| Reactivity Notes    | Mouse 89%, Rat 89%                                                                                                                                                                                |
| Immunogen           | This antibody was developed against a recombinant protein corresponding to amino acids:<br>SPKCLDWWQEGPMYQIYPRSFKDSNKGNGDLKGIQDKLDYITALNIKTWITS<br>FYKSSLKDFRYGVEDFREVDPIFGTMEDFEN                |

| Product Application Details |                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence                             |
| Recommended Dilutions       | Western Blot 0.04-0.4 ug/ml, Immunocytochemistry/ Immunofluorescence 0.25-2 ug/ml |
| Application Notes           | Recommended conditions: Fixation/Permeabilization: PFA/Triton X-100               |

## Images

Western Blot: SLC3A1 Antibody [NBP2-68912] - Analysis in human cell line RT-4, human cell line U-251 MG, human plasma, human liver tissue and human tonsil tissue.

Immunocytochemistry/Immunofluorescence: SLC3A1 Antibody [NBP2-68912] - Staining of human cell line RPTEC TERT1 shows localization to mitochondria.
