MICALL1 Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                                                       |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                           |
| Storage                     | Store at 4C in the dark.                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                    |
| Isotype                     | IgG                                                                                                                                   |
| Conjugate                   | Janelia Fluor 646                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                                                    |
| Product Description         |                                                                                                                                       |
| Host                        | Rabbit                                                                                                                                |
| Gene ID                     | 85377                                                                                                                                 |
| Gene Symbol                 | MICALL1                                                                                                                               |
| Species                     | Human                                                                                                                                 |
| Immunogen                   | Synthetic peptide made to an internal portion of the human MICALL1 protein (between amino acids 200-280) [UniProt Q8N3F8]             |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                 |
| Product Application Details |                                                                                                                                       |
| Applications                | Western Blot, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, Flow Cytometry (Negative) |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry/ Immunofluorescence, Immunohistochemistry-Paraffin, Flow Cytometry (Negative) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                |
