CD4 Antibody (OTI5D9) [DyLight 405]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | OTI5D9                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG2a                                                                                        |
| Conjugate                   | DyLight 405                                                                                  |
| Purity                      | Immunogen affinity purified                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                           |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 920                                                                                          |
| Gene Symbol                 | CD4                                                                                          |
| Species                     | Human, Monkey                                                                                |
| Immunogen                   | Full length recombinant protein of human CD4 Antibody (NP_000607) produced in HEK293T cells. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.            |
| Product Application Details |                                                                                              |
| Applications                | Immunohistochemistry, Immunohistochemistry-Paraffin                                          |
| Recommended Dilutions       | Immunohistochemistry, Immunohistochemistry-Paraffin                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
