Flt-3 Ligand/FLT3L Antibody (OTI8D10) [Biotin]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | OTI8D10                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG1                                                                                               |
| Conjugate                   | Biotin                                                                                             |
| Purity                      | Immunogen affinity purified                                                                        |
| Buffer                      | PBS                                                                                                |
| Product Description         |                                                                                                    |
| Host                        | Mouse                                                                                              |
| Gene ID                     | 2323                                                                                               |
| Gene Symbol                 | FLT3LG                                                                                             |
| Species                     | Human                                                                                              |
| Immunogen                   | Recombinant protein expressed in E.coli corresponding to amino acids 27-181 of human Flt-3 Ligand. |
| Product Application Details |                                                                                                    |
| Applications                | Western Blot, Immunocytochemistry/Immunofluorescence                                               |
| Recommended Dilutions       | Western Blot, Immunocytochemistry/Immunofluorescence                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
