GSTA4 Antibody (OTI3F5) [PE]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | OTI3F5                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | PE                                                                                          |
| Purity                      | Immunogen affinity purified                                                                 |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 2941                                                                                        |
| Gene Symbol                 | GSTA4                                                                                       |
| Species                     | Human                                                                                       |
| Immunogen                   | Full length recombinant protein of human GSTA4 (NP_001503) produced in HEK293T cells.       |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
