LIM1 Antibody (OTI2D5) [PE]

| Product Information         |                                                                                                                                        |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                            |
| Storage                     | Store at 4C in the dark.                                                                                                               |
| Clonality                   | Monoclonal                                                                                                                             |
| Clone                       | OTI2D5                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                     |
| Isotype                     | IgG1                                                                                                                                   |
| Conjugate                   | PE                                                                                                                                     |
| Purity                      | Immunogen affinity purified                                                                                                            |
| Buffer                      | PBS                                                                                                                                    |
| Product Description         |                                                                                                                                        |
| Host                        | Mouse                                                                                                                                  |
| Gene ID                     | 3975                                                                                                                                   |
| Gene Symbol                 | LHX1                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                      |
| Immunogen                   | Recombinant protein fragment corresponding to amino acids 100-362 of human LIM1 (NP_005559) produced in HEK293T cells.                 |
| Product Application Details |                                                                                                                                        |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry, Immunohistochemistry-Paraffin, CyTOF-ready |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin, CyTOF-ready |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                 |
