FGF-21 Antibody (OTI2F10) [DyLight 488]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Monoclonal                                                                                                       |
| Clone                       | OTI2F10                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG2a                                                                                                            |
| Conjugate                   | DyLight 488                                                                                                      |
| Purity                      | Immunogen affinity purified                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                               |
| Product Description         |                                                                                                                  |
| Host                        | Mouse                                                                                                            |
| Gene ID                     | 26291                                                                                                            |
| Gene Symbol                 | FGF21                                                                                                            |
| Species                     | Human                                                                                                            |
| Immunogen                   | Recombinant protein fragment corresponding to amino acids 29-209 of human FGF-21 (NP_061986) produced in E.coli. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin              |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunocytochemistry/Immunofluorescence, Immunohistochemistry-Paraffin              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
